### 7 POINTS THEME

#### Responsibility

Do you consider yourself to be a responsible person? Why? In what ways? What responsibilities do you believe you personally have for: 1) yourself, 2) your family, 3) your community, 4) the world? What does being responsible have to do with the quality of your character? Describe something you've done that was really irresponsible. How did you feel afterward? What did you learn from it? Describe what this society might be like if nobody was accountable for their actions, if nobody kept their commitments. What are the benefits of being a responsible person? How do you benefit from the responsibility of others?
